

ASSURING THE SAFETY, QUALITY AND EFFICACY
OF VETERINARY MEDICINES

SUMMARY OF INFORMATION ON RESIDUES DEPLETION

Name of Product:

Active Ingredient:

Study Identification:	Title:	GLP (Yes/No):
	Ref No:	Date:
Test System:	Species:	Breed:
	Age:	Sex:
Test Substance:	Name:	Batch No*:
	Dose(s) Given**:	Route and Method of Admin:
Experimental Design:	Time Points:	No. Animals/Time Point:
	Samples Collected:	Water Temperature (fish only):
Analytical Method***:	Type of Method:	
	LOD for each tissue:	
	LOQ for each tissue:	

* Please enclose certificate of analysis.

** If given in feed, please quote figures for concentration in feed **and** amount per kilogram bodyweight.

*** Please include flow chart outlining the method and tables of validation data.

Results For Residues In Mammalian Or Avian Tissues

(Please quote results in µg/kg)

Tissue	Animal	Time Points (days/hours)*							
Liver	Animal 1								
	Animal 2								
	Animal 3								
	Animal 4								
	Animal 5								
	Animal 6								
	Mean ± S.D.								
Kidney	Animal 1								
	Animal 2								
	Animal 3								
	Animal 4								
	Animal 5								
	Animal 6								
	Mean ± S.D.								
Muscle	Animal 1								
	Animal 2								
	Animal 3								
	Animal 4								
	Animal 5								
	Animal 6								
	Mean ± S.D.								
Fat ± skin (Delete as appropriate)	Animal 1								
	Animal 2								
	Animal 3								
	Animal 4								
	Animal 5								
	Animal 6								
	Mean ± S.D.								

* Please delete as appropriate

Results For Residues In Mammalian Or Avian Tissues (cont) (Please quote results in µg/kg)

Tissue	Animal	Time Points (days/hours)*							
Injection Site	Animal 1								
	Animal 2								
	Animal 3								
	Animal 4								
	Animal 5								
	Animal 6								
	Mean ± S.D.								

Results For Residues In Milk or Eggs (Please quote results in µg/kg)

Tissue	Animal	Time Points (days/hours)*							
Milk/Eggs (delete as appropriate)	Animal 1								
	Animal 2								
	Animal 3								
	Animal 4								
	Animal 5								
	Animal 6								
	Animal 7								
	Animal 8								
	Animal 9								
	Animal 10								
Mean ± S.D.									

* Please delete as appropriate

Results For Residues In Fish Tissues

(Please quote results in µg/kg)

Tissue	Animal	Time Points (days/hours)*							
Muscle + Skin	Animal 1								
	Animal 2								
	Animal 3								
	Animal 4								
	Animal 5								
	Animal 6								
	Animal 7								
	Animal 8								
	Animal 9								
	Animal 10								
	Mean ± S.D.								
Injection Site	Animal 1								
	Animal 2								
	Animal 3								
	Animal 4								
	Animal 5								
	Animal 6								
	Animal 7								
	Animal 8								
	Animal 9								
	Animal 10								
	Mean ± S.D.
