

POLICE CONTROLLED DRUG LIAISON OFFICERS – AUTHORISED DESTRUCTION WITNESSES

Every Police Force throughout England, Scotland and Wales has a dedicated CDLO who is available to liaise with any veterinary practice within their area. A CDLO is able to offer advice on safe storage; auditing; destruction; suspicious activity; internal thefts; forged or stolen prescriptions; as well as 'current crime trends' and 'demands on the streets'; etc. A CDLO is authorised under the MDRs if a Constable or authorised by the PCT Accountable Officer if employed by the Police service as a civilian.
